

The Verve Shooting Starz are eXploding everywhere!

Contributed by admin admin

Ever wish you were invited to be part of something so big, that when the invitation arrived... you had to pinch yourself to see if you were just dreaming???

NOW YOU ARE!!!

"Verve is here and is just starting to explode across the USA and abroad!"

Remember back to Dell, Microsoft and Pepsi, and don't miss out again.

Congratulations go out to Jeri Kiersted and Kevin Nistico as they rank advanced to SILVER Star this past week. Way to go TEAM!

Reaching the DIAMOND position is Joe and Nancy Sustersic.

We are dedicated to helping your attain your success.
